

Young Worker

Safety Orientation Checklist

(The following is a list of minimum points to review. Please add any others that may be relevant or job specific.)

- I have read and understand the company Health & Safety Policy
- I will not wear loose clothing or dangling jewellery near moving parts of machinery or electrically charged equipment
- I will give all tasks my full attention and will not use cell phones or personal audio equipment during work hours
- I will not engage in inappropriate behaviour such as feats of strength, horseplay, fighting or practical jokes which may create an unsafe condition
- I have been shown the correct way to wear and care for any personal protective equipment I need to use and will wear them as directed.
- I have reviewed and understand the fire/emergency procedures
- I will report all unsafe conditions to my supervisor
- I will report all injuries to my supervisor
- I will obey all warning signs and signals
- I have been shown the location of company safety bulletins and posters.
- I have been shown the location of the first aid equipment and know where to find a certified first-aider
- I have been advised of restricted areas and restricted equipment
- I will not handle any chemical until I have been properly trained
- I will keep my work area clean & tidy so as not to create hazardous work conditions for myself or others. I will keep aisles, walkways, stairs and other egresses free from debris.
- I have the right to know the hazards associated with my job
- I know I have the right to refuse any work I consider unsafe
